THE PARENT PARTICIPATION ORGANIZATION

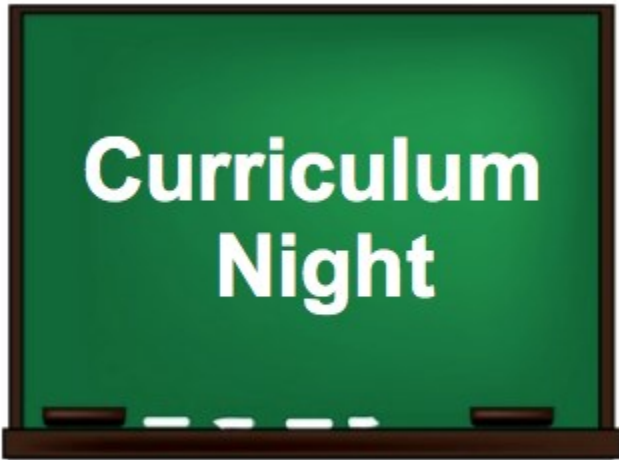

The purpose of the Parent Participation Organization is to encourage the collaboration of parents in developing, implementing and periodically evaluating the school's educational project and their participation in fostering their child's success. The PPO may advise the parents' representatives on the Governing Board regarding any matter of concern to parents or any matter concerning which the organization is consulted by the parents' representatives on the Governing Board.

The PPO usually meets once a month prior to Governing Board meetings. The organization is chaired by a parent, elected by the group. Other positions required are a parent who acts as the secretary—taking notes of the meetings, and a treasurer—a parent who monitors any revenues or expenditures of the group.

Traditionally, the P.P.O. has also been involved in raising funds for the school.

If you would like to participate on the PPO, please complete the coupon at the bottom of the page. There are no elections for the PPO. Any parent can sit on the PPO.

The members of the PPO will be announced at the General Assembly.
