School fees are our only source of revenue for all materials, paper, photocopying services, and supervision. School fees are due on the **first** day of school. Should you not be in a financial situation which allows you to make a full payment, please send post-dated cheques or call Mrs. Moore, the school principal, to make arrangements that will work with your budget. If your child is full-time daycare (5 days per week) you are not required to pay the supervision portion of school fees.

All cheques should be made out to **Sir Wilfrid Laurier School Board**. If you have any questions about your child's school fees, please do not hesitate to call the school office for explanation. Thank you.
